

Avengers HR Policy

1. Introduction

The Avengers HR Policy outlines the rules and guidelines for all team members to ensure professionalism, safety, and collaboration during missions and off-duty hours. **2. Code of Conduct**

- Treat all team members with respect.
- Avoid unnecessary property destruction during missions.
- Maintain confidentiality regarding mission details and SHIELD intelligence. **3. Attendance and**

Mission Assignment

- Members must report to the command center when summoned.
- Mission assignments are based on skill, availability, and risk level.
- Unauthorized absence from missions is strictly prohibited. **4. Safety and Equipment**
- All members must complete mandatory equipment checks before deployment.
- Any experimental tech must be approved by the science division (e.g., Stark Labs, Wakanda Tech).

5. Conflict Resolution

- Disputes between members should be reported to the team leader or HR coordinator.
- Physical fights among members are not tolerated unless part of training. **6. Compensation and**

Benefits

- Members receive mission-based compensation and global travel coverage.
- Health benefits include access to the best medical facilities worldwide.

7. Performance Review

- Annual performance evaluations will be conducted by the HR department.
- Feedback sessions are mandatory for continuous improvement. **8. Disciplinary Actions**
- Violations may result in suspension from missions.
- Severe misconduct may lead to temporary removal from the team.
